Please use the staff restrooms.

Do not use the students' restrooms.

Volunteer Guidelines

Volunteers must be at least 21 years old.

Younger siblings are not allowed on campus or field trips.

Field Trips

Please review the Field Trip Guidelines in our Volunteer Application Packet before every field trip.

Field Trips

- No smoking.
- No cell phones.
- No gift shops or concession stands.
- No photos of kids on social media.

Field Trips

Students must wait for friends who are using the restroom. They may not wander off alone or separate from the group.

Confidentiality

Never discuss specific students, staff, or school issues outside of your volunteer role.

Volunteers, like teachers and staff, are bound by a code of ethics to keep confidential matters within the school.

Discipline

Volunteers may not discipline students.

Alert the teacher to any discipline problems that you observe.

If a student tells you something that concerns you . . .

Tell the teacher, nurse, or principal.

Do not ask more questions.

Do not share what you heard with others.

Drills and Emergencies

Follow staff directions.

Notify the nearest staff member if you get separated from your evacuation group. (Do not try to reunify with your original group.)

Lock-down in the classroom nearest you (which may not be your homeroom).

Drills and Emergencies

Do not leave campus. We must account for everyone.

Do not re-enter the building without permission.

Help the students remain quiet and calm.

Please be patient.
